

[A] FLEXIBLE STORAGE

The ability to adjust rod and shelf heights creates maximum flexibility.

[B] CUSTOM DOORS

Virtually every item we sell can be fitted with custom doors. (Molded door style shown here.)

REACH-IN SOLUTIONS

Reach-In closets offer special challenges because of their limited space. We'll make sure that every inch gets used in the most efficient way possible. Our closets offer abundant storage that makes getting dressed a pleasure. Every one of our designs is a unique solution to your specific needs.

[A] CHESTNUT REACH-IN

Our reach-in closet systems make limited spaces seem much larger by utilizing every single inch available. Closet shelving in Chestnut and hardware in Oil-Rubbed Bronze give this closet a deep, rich appeal.

[B] EURO FLAT STYLE

Espresso drawers in our Euro Flat style give closets and living spaces a sleek, modern appearance.
